

A Masonic Retreat

October 4 – 6, 2024

The Chamber of Reflection

Relax, renew and reconnect during a weekend of fellowship and workshops for **ALL Masons** covering various topics, i.e., Masonic esoterica, ritual work, Archetypes, Astrology, Alchemy, Sacred Geometry, Ancient Mystery Schools, etc. Highlighted with featured Friday and Saturday evening talks, please join us to enjoy education, fellowship and a journey into the esoteric mysteries of Masonry, how we can live from their teachings in our lodges, in our lives and carry them into the world.

Session Topics this year are going to center around **The Chamber of Reflection** as a theme. Brothers Shaun Bradshaw and Timothy Hogan will lead the featured presentations along with presentations from Masons from the Twin Cities and Minnesota.

PLEASE NOTE: This theme of The Chamber of Reflection is not advocating for or against the use of Chambers of Reflection but rather is focused on the explorations, discussions and reflections on the history of the chamber of reflection, Masonic contemplation, the symbols and the relationships to our rituals.
